Dear Lorraine Fein,

I would like to take this opportunity to thank you for your generous contribution of \$385 to Yad Lshliach/Dollar Daily.

Your contribution will go a long way to help shluchim worldwide with a pick me upper. Some shluchim struggle making ends meet and your donation tells them "We are not alone". Our Sages tell us that the act of Tzedakah is a very great mitzvah and the joy that accompanies the act is an even greater one. We are told that "Great is charity for it brings closer the Redemption." May G-d grant you and yours much continued and ever-growing success in all of your endeavors, coupled with good health, much nachas, joy and prosperity.
